

January 10, 1996 LB 1156, 1172-1179
 LR 17, 288, 291

SPFAKER WITHEM: We didn't coach this part of it, so....
(Laughter.) Mr. Clerk, any items for the record?

CLERK: I do, Mr. President. Hearing notices from the Judiciary Committee; from the Health and Human Services Committee; Natural Resources Committee; from the Business and Labor Committee; Revenue Committee; Government, Military, Veterans Affairs Committee; and Retirement Systems, all signed by their respective chairs. Proposed rules change from Senator Avery that he prefers be referred to the Rules Committee. That will be done. New bills, Mr. President. (Read LB 1172-1179 by title for the first time.)

In addition to those items, Mr. President, Senator Lindsay has amendments to LR 17CA to be printed. And a series of adds: Senator Abboud to 291, LR 291, Senator Klein to LR 288, and Senator Robak to 1156. That's all that I have, Mr. President. (See pages 366-73 of the Legislative Journal.)

SPEAKER WITHEM: Let me make one additional announcement before we vote. There still continue to be some questions on this afternoon. This afternoon, we will be convening as a committee of the whole or whatever terminology you would care to give it. We will be reconvening in the legislative chambers at one-thirty for the purpose of discussion from the committee chairs as it relates to the property tax issue. We will not formally be in session. That is the reason for the adjournment motion. We will be adjourned as soon as this takes place, but there is an expectation that the membership of the Legislature will return to their desk here for the activity this afternoon which is designed for enlightenment on the various issues that surround the property tax issue. With that, all of those in favor of adjournment please indicate by saying aye. All those opposed? We are adjourned.
